The Necktie Game in Detail.

Johnny Murphy Engaged as a Boxing Yes, "Truthful," dear, "necktie promises" are a swindle. Many say this as well as yourself. The manufacturers advertise in their slack season for girls to learn making neckties. From many applicants they select the neatest sewers and If the weather Thanksgiving Day turns give them slow instructions thus harvesting additional stock for busy seasons without any money every motion easy, flexible and aesthetic, it is expected that the crowd at the outler. I dislike a failure, but here is mine. The feet learn to move with unexampled Yale-Princeton game will break all First, I was willing to give the required four grace, necurely yet daintily backward records as to size. The University Ath- weeks' apprenticeship and loved my teacher, but or forward on the floor. The action letic Club Committee is thinking about on the Monday commencing my fourth week having a branch post-office established at the club-house in order to facilitate of good light to saw by was rulnous; headaches the hadling of its big mail. This mail were common, also spectacles. Each woman pro-consists principally of applications for tickets to the Yale-Princeton game. The promise consists of finishing (f) neckties at There are enough applications now for 12 There are enough applications now for home, making \$5 per week by daily work, but 200 all the covered seats. The uncovered from \$12 to \$15 by working day and night. Those seats will go next. It is highly probable are the illusions. Here are the facts: The first that there will not be a single seat for He is "finishing." I would prefer making from sale when the gates are thrown open start to finish than undoing and adjusting the nearly ten thousand can be accommoperts: 25 cents per dozen for single bows; double bows, with neck shields, 50 cents per dozen dozen; 50 cents per dozen for tecks. Their pay day is Monday. No work is taken in after Thursday, and a brazen gong at 4 P. M. daily reminds you of the same pleasant fact, regard he only too giad to learn of many of my sister women making it successful. During that three weeks I felt like kicking myself all over New York and the proprietors as well, who de not half pay their employees.

### A Chance for Problem Workers.

To the Editor: The "nice" poetic problem of McGeehan is in teresting when translated into terse geometric It means to find the area of a circle by a Text-books give no finite ratio of inscribed tribedron to circle, and the exact relation of these two forms is not obtainable by old methods of demonstration. To encourage study of the "new geometry," which solves the any other means, will give \$5 to the first person who within three w-eks proves the exact ratio by commensurational arithmetic and geometric construction. CHARLES DE MEDICI,

60 West Twenty-second street.

## A Bachelor's Awful Plight.

To the Editor: I am a bachelor of thirty-five, earning salary of \$25 per week and some times more, in a splendld business concern in this city. I offer amends for the egotism which prompts me to assert that I came from a highly respectable and true life. I have lived in New York six months, rooming at a hotel and taking my the company of some refined, true woman or women, but knowing no one in the city who has an entre into society, and not having been invited to any one s home, I have not made the acquaintance of even one woman in the city. I am satisfied of the fact that there are many question of costume may be left to individual taste. That of the figure of the noble girls in New York that would gladly accept attentions from a man of good character, victorious girl may be taken as about the but, perhaps, they, like myself, do not know beat guide. A loose-fitting skirt of any how to go about forming such acquistances. I suitable material reaching to below the am a little backward. I admit, yet I desire to knee, so as to allow of freest motion; be somewhat reserved. I do not wish to cul- an easy-fitting body, corsets loosely tivate the acquaintance of feelish or wanton laced, a papler-mache vest, covered in women. Such as recognize a tip of the hat, a front with leather, and this part of how and a firstation on the street as an in-troduction, as not to be sought after. Will some of your intelligent readers give me a little light on the above subject? I consider that I am on the above subject? I consider that I am necessary masks, gloves and weapons nest in my dress, regular in my habits and possessed of moderate musical attainments, and feel that unless I succeed in forming a few refined acquaintances ere long I will be disposed to return to my "native heath."

# To the Editor:

Jonnny Murphy, the well known feather-weight puglilst, has been engaged as boxing instructor for Berkeley School, in West Forty-fourth street. He was appointed by Dr. White, and will begin his duties to-day. Murphy should be a good man for the place, if experience, both in the ring and instructing, count for anything. He was instructor at Harvard for a number of years, and turned out some good men. He gave George Dixon a stubborn fight once, and has also fought, among other notables of the prize ring. Billy Murphy and Cal McCarthy. Murphy's leas were the models for the statue of Sullivan.

Manager Brady is much perturbed over to know if you could give them some idea how they could work in the evening after their daily work-something that would be a pratime, and at

is far from profound, certainly not a "poser" nor requiring a very "learned reader" best expressed in the following simple propor tion, as 5 is to 10 so is 14 to 17th, the snawer or if 5 plus 2 equals 10, 1 would be equal to its, the same ratio applied to 6 plus 8 would give 174. Try again, W. H. F. Woodlawn Heights, New York City.

## A Smoker's Predicament.

Billy Madden has secured another attraction for his Rockaway Beach A. C. boxing show Thanksgiving eve. He has signed Frank Kreig, the "Coffee Cooler." to box six rounds with his heavy-weight. Con Riordan. This, with the two twenty-round contests he has arranged—Flaherty vs. Craig and Morris vs. Ellingsworth—ought to furnish a pleasant evening's entertainment for puglistic lovers. To the Editor: For the last two years I have been temperate Previous to that tobacco did not affect my mouth Since then every time I smoke it burns my mouth end tongue. Now, if some of the readers of "The Evening World" would suggest a cure I Bicyclists Zimmerman, Wheeler and the Banker brothers, have gone south to Augusta to give exhibitions. Wheel-er, it is said, will soon return and sail for Europe. would feel very thankful and forever bear in re-membrance my benefactor, as it is the only source of enjoyment which is left me, I want to funny answers, as I am in dead earner
